Huehuetenango

*Caturra,
Bourbon*

VIBRANT & LUSH

FLAVOR:

Tastes a bit like old fashioned cotton candy that got close to the caramel apples. Wonderfully sugary and sticky sweet. Think funnel cake and maple syrup with a bit of meyer lemon and citron liquor. The finish is redolent with rich milk chocolate. The sweet/tart lemon flavors are deeply layered and balanced by dense syrup and chocolate and passion fruit notes. Sweet, vibrant and complex

FARM:

Finca Vista Hermosa, Farm of the Beautiful View, is the three-generation legacy of coffee lovers who have poured their hearts into the rich land of Guatemala. Edwin Martinez practices sustainable farming and produces some of the best coffee in Guatemala.

Barefoot Coffee has been partnered with Edwin for five years of great coffee. Edlyna faces a bit more towards the rising sun and the valley leading to the lowlands it receives more direct sun and drier winds.
